

FORT SILL HUNTING PERMITS

VEHICLE PARKING PERMIT

COMPARTMENT

DATE

1. Vehicles must be parked within or on the boundary of the above compartment. Permit is valid only on the above date.
2. This permit will be displayed in vehicle on front dash where it will be visible from the outside. It will be placed with this side up.
3. Please notify Game Wardens (442-6050) of any observed game violation and include all information possible; i.e., name, vehicle description, and license number of the violator.
4. Notify the Information Center (442-3553/3453) immediately upon leaving the range, and no later than 1-1/2 hours after sunset.
5. I have checked the range firing overlay and posted notices. I am aware of any firing fans in my area and will not enter these areas. I am also aware of any special hunting regulations.
